

Glock Maintenance Course

This course is designed to provide the Glock enthusiast with information and hands-on training for the proper usage, maintenance, and troubleshooting of the Glock pistol.

Students are expected to bring a Glock pistol with magazine, cleaning supplies, and safety glasses. If you do not yet own a Glock pistol, you are still welcome to attend the class. We have a limited number of pistols available on a first come - first serve basis.

This course will last approximately six hours, depending upon the number of students.
